THE REALITY ZONE.

1

Don't you sometimes feel that your teachers forgot to tell you something quite **crucial . . .** and somehow you have been "**left out of the information loop**" in the most vital areas of human knowledge? Many of us do!

2

Today's world is an Earth where we humans are **ceaselessly bombarded with information** that comes at us from a great variety of sources. People are often **assaulted** (or they are at least **ceaselessly pelted**) by data coming from co-workers, peers, the internet, cellular phones, weather satellites, computer programs, TV, pagers, etc.

Yet most people feel that they just can't understand **this strange universe in which we live.**

3

Do you ever feel you may have taken a wrong turn somewhere . . . and so got yourself **lost in the vast universe of the "information highway?"** Ever feel like you just don't know *where* you are in this universe, even though you tried hard to stay knowledgeable, tried to keep up to the normal speed of all the other travelers?

Reasonable questions: What's my present location? **How did I get here?**
How do I get out of here?

4

Many persons feel our planet is only **a world of lies, delusions, and half-truths that travels in a circular orbit till the end of time. . .** they see Earth as a planet that has no other appointed route except the normal motion of its perpetual loop as it follows its proper orbit around the Sun.

It's true that we human beings live on Earth in a world where **impermanence** is the norm.

5

Does our planet revolve
around a **pillar of truth**
at the universal center...
or does a **world of illusions**
travel in an **endless loop**
to nowhere?

6

For many people, Earth is a very weird place . . . full of strange experiences that seem to spring forth from the Nightmare Zone. Others see Earth, not as the once-and-future Garden of God, but as a "funny farm" that is populated by crazy folk.

Even for Christians, it's clear that "God's Garden" is full of weeds and is not what it should be!

7

In this wild world of culture-clash and transition-trauma, many people are now starting to experience what we may call "**REALITY SHOCK.**"

The long-prevalent belief in "relative truths" and "no absolute knowledge" has proven itself to be a shaky and uncertain structure that is **built on a foundation of shifting sands.** It is collapsing all around us.

8

GREETINGS FROM THE REALITY ZONE!

There is a solution
to the confusion of an
irrational universe!

9

By adopting a Godly perspective, you can exchange the weird confusion of your Nightmare Zone universe for something far different. You can pass through an opened door into **the Reality Zone . . .** and find a **logical** Universe that is not just orderly but **organized** with a **solid core** of **Absolute Truth** as its very center and its foundation.

10

Today you can discover
a Truth-Center that exists
as the **stabilizing force**
at the core of our Universe...
and at last enter **the**
Reality Zone.

11

Jesus Christ is the **brilliant Light-Source** that **God** has established as a **pillar of truth** at the **center of our Universe...!**

In the Trinity of God, Christ was **right at the center of things** at the very time when our vast Universe was first created! It is only through Jesus Christ (**not** through a Big-Bang Cosmos alone) that **the inhabitants of our world** can experience a **genuine "knowledge explosion!"**

12

You can experience the brilliant clarity of a personal "knowledge explosion" that will enlighten your entire universe. You can displace the darkness in your own mind and heart with the brilliance of Jesus Christ.

13

By adopting a **Godly perspective**, you can achieve a logical solar system for all the interactive elements of your life and world-view.

If this universe seems disorganized, cruel, & chaotic to you, it's time you exchanged your own **microcosm** (your personal world-view) for the **macrocosm** of God. And together with the **intellectual salvation** that God's superior perspective on the Universe will offer you, you will also get **relief** from hellish loneliness and bitterness that often results from a wrong-thinking and wrong-acting life.

14

Before his embodiment as Jesus, the Christ was already God the Son, unified in a Trinity with God the Father and God the Holy Spirit. As such, he is then Creator of our Universe and the guardian of true knowledge.

Being eyewitness and participant in the actual Creation, the Christ is our only valid Source for knowledge of this vast Universe. He is the Voice of God on Earth, and he fulfilled the prophecy of God that declared “I will open my mouth in parables; I will utter things hidden since the creation of the world.”

15

In this world we meet many liars and deceivers, but in Jesus Christ we find **a solid foundation**. Jesus really is the only way of escape from the confusion and evil of our universe; he is **the foundation of truth**, and he is also **a doorway to eternal life** for a massive population on Earth that is greatly in need of rescue.

16

JESUS is THE DIVINE INTERFACE that makes real knowledge possible. God has made Him also the foundation of all forgiveness, the Savior who can **rescue** you from the punishment of sins.

God **reveals His Son** Jesus and Himself to us **whenever we read or hear** the truths that He has planted in the Holy Scriptures of the Bible. **A seed of His truth, buried in you now, can grow in His Light, or perish in your darkness.**

17

You can see it grow by placing Jesus Christ, **who in the Trinity of God created our Universe**, upon a throne at the center of your heart! *He deserves that position and that kind of respect.* He was first **God The Son**, but when born in human flesh he became the only sinless and righteous person who ever lived. Yet he sacrificed himself on a cross for your sake, taking all guilt and sins upon himself, in order that you and I — that all people — **that whoever wishes for salvation might be rescued from the due punishment of sins.**

18

If you choose to accept Jesus Christ and pray to receive His illumination, then His Holy Spirit will come to reside within you forever. He will be a fiery energy-force inside you that will burn eternally and give you a perpetual guidance. He will stay with you in all Earthly trials, and beyond.

19

By doing this, you will gain a new contentment and inner peace as you accept God's organizational plan for the Universe . . .

because you'll be letting God be the Ruler of All Things in this world . . . and in your own life.

All it really takes is a simple but sincere little prayer — one that you should make up in your own words. The prayer for deliverance and for God's leadership should come from your own heart!

Some important elements that you might include are:

- 1) your desire to turn away from the wrongness or evil of your past life, and your remorse over the sins of your previous life,
- 2) your desire for God's forgiveness and mercy through the act of sacrifice of His Only Begotten Son (Jesus Christ),
- 3) your desire to know God's leadership in your life,
- 4) your desire to learn more of God's truth through Bible study,
- 5) your desire to find fellowship with genuine believers.

Jesus said of Himself, "Whoever has seen me has seen the Father. I and the Father are One."

Jesus said also of Himself, "Truly I tell you, before Abraham was even born, I AM." (Moses had long ago learned from God that God's name was "I AM.")

Jesus spoke of the people of God as being like a seed that is growing secretly, saying, "As for the kingdom of God, it is as if a person should cast seed into the ground; and then he sleeps, and he rises up night and day to see that the seed is springing forth and always growing up, although he knows not exactly how. The Earth is bringing forth fruit from itself; first the blade, then the ears of corn, and after that the fullness of the ears of corn. And when all the **fruit of the Earth** has come forth, immediately God will use the sickle to reap the fields, because the **harvest-time** has come."

Excerpt from the book of Mark [4:26-29].

Jesus said of the people of God that "The kingdom of heaven is like a **net** that God has cast into the sea, and it gathers of every kind: When it is full, it will be pulled up on the shore, where they will sit down to sort the catch, and they will **collect the good fish in baskets, but the bad things will be thrown away. This is the way it will be at the end of the world: The angels shall come forth, and they will separate the unrighteous persons from among those justified by God . . .**"

Excerpt from the Book of Matthew, who was a constant companion of Jesus and his devoted disciple[13:47-50].

More challenging than Man's visits to the Moon...

More challenging than Man's explorations on the planet Mars...

God's Earthward Journey.

God visited planet Earth when He walked upon our world in the human body of Jesus Christ.

God traveled to the Earth so that He could show us the route to Heaven.

His Light has lived among us.

A Letter From The Sponsor

In 1979, I spent two months in Nepal. During November, I did the Pokhara-Muktinath Trek with my travel-buddy, a Swiss adventurer named Werner Baumgartner. Later, in December, we would also do the Everest Trek together.

For the first trek, we hiked day after day — all day, every day — through the mountains of Nepal... until we finally reached our destination at Muktinath. There we saw the goal of this trek.. what was called "The Temple of Miraculous Fire." It was an old building which was situated on a mountaintop.

In many ways, it was a very inspirational trip, but the "miraculous fire" that we found in that temple was just a little bit disappointing. When the altar curtain was pulled back by a Buddhist monk, we were given a chance to see the miniature wonder contained inside this Nepalese temple.

We saw then what the Temple of Miraculous Fire was all about. There was a tiny stream of water coming up through the ground, and it made a miniature waterfall behind that curtain. But there was more to it than that. An endless supply of natural gas was also gushing out of the ground, and it was kept lighted by the monks... so there was a flame of fire floating over the waterfall, one that seemed to burn eternally. That was the miracle of this temple, and the Buddhist pilgrims who travel there are greatly impressed by this combination of fire, water, earth, and air... the four basic elements in their cosmogeny.

Imagine — a fire that floats on water — seemingly forever! Well, it is a rather unusual thing for a trekker to discover in this world, as you might guess.

Six months later, I came to the Pacific Island of Guam, where I would be living and working for the next five years. Soon after I got there, I became a genuine believer in Jesus Christ, and finally I became a diligent student of the Bible. My arrival on Guam brought me to a new comprehension. I understood that "miraculous fire" becomes a reality for a human being when God puts His Holy Spirit into a believer. This comes only through faith and a prayer to Jesus Christ. Then the human being becomes a temple for God's Holy Spirit. Amazing as it may sound, a mere human being is able to become a "Temple of Miraculous Fire." The fire of God's Holy Spirit will then burn in you eternally!

And what is more, Jesus Christ will also give you an endless supply of "living water," which will become in you a spring of Eternal Life.

The Christian believers of our Earth are all engaged in a great Journey to the East... the trek to a New Beginning and a New Earth. I hope you'll join us.

Our army is still growing, and we are looking for new recruits. That is a good thing, because it's what Jesus wants us to do. And as Rev. Richard Wurmbbrand has aptly stated in his book *Reaching Toward The Heights*: "If we become a larger party climbing together, we may succeed better."

I became a believer in 1980, right after I settled down for a while on the island of Guam. I didn't know it, but my Swiss pal Werner also became a believer in Christ during this same year, by an independent route.

I learned from his letters that Werner eventually studied theology at a Bible College in Switzerland. My old trekking buddy, the congenial baker from Switzerland, the pal with whom I had traveled so extensively during our globetrotting days... ended up becoming an evangelical pastor for the Reformed Free Church in Switzerland. He also became a missionary evangelist, working to this very day as a "church planter" in the more rural and unreached areas of his native country. He starts new churches there.

It's not surprising that we both became believers and followers of Jesus Christ. We traveled for many months inside a great many countries of this world, and we could both see how much this Earth is in need of God's Son.

I became a believer because Jesus Christ is our Gateway to the Truth of God. He is the Guardian of God's Absolutes, and He is the Announcer of God's Truth! When we see His face, we see the face of the Father in Heaven. When we hear His words, we hear the Truth about Heaven and Earth. The voice of Jesus Christ is the voice of God. Clothed in perfect righteousness and purity, He is eternally the Son of God.

The Devil has too many children already, but the Father in Heaven could use some more. If you become a child of God, you'll be proud to declare that you have become a member of His Family... and a brother to Jesus Christ!

In His Service,
Ken Street

The people of Earth
abide.

This tract is distributed through **Earthward Outreach**, a Christian ministry. It is part of a commemorative edition that we are calling the Earth-Trekker's Tracts version.

It has been built upon material originally found in the Street Tract **The Reality Zone**, and is retitled for this edition.

It's also important for all of us to remember this:

- 1) **WE SPEAK TO GOD** by our prayers.
- 2) **GOD SPEAKS TO US** by the words of Holy Scripture.

So we must try to read His words and His Book just as often as we possibly can!!

God wants to bless you for all your long efforts to understand this very confusing and difficult Universe in which we live — so let Him reward your search with the grace of His forgiveness and enlightenment!
